CONTINUATION OF COMPLAINT:**Carlos Jesus BAEZ-Diaz****PROBABLE CAUSE STATEMENT**

On July 26, 2008 Border Patrol Agents A. Ramos and V. Stanfill were conducting their assigned duties near Otay Lakes in Chula Vista California. At approximately 11:00 a.m. a passing motorist flagged them down near mile marker 10 on Otay Lakes Road and stated that he observed an individual walking west bound approximately two miles west of their location. The Agents began driving west bound in their marked service vehicle. Agent Ramos observed an individual walking along the south side of Otay Lakes Road near mile marker 8. This area is Northeast of the Otay Mesa, California Port of Entry.

Agent Ramos approached the individual and identified himself as a Border Patrol Agent. He then questioned the individual as to his citizenship and nationality. The individual, later identified as the defendant **Carlos Jesus BAEZ-Diaz**, stated that he is a citizen and national of Mexico without any immigration documents allowing him to enter or remain in the United States legally. The defendant stated that he had been walking for five days and that he crossed the border from Mexico into the United States near Tecate, California. Agent Ramos then placed the defendant under arrest and had him transported to the Chula Vista Border Patrol Station for processing.

Routine record checks of the defendant revealed a criminal and immigration history. The defendant's record was determined by a comparison of his criminal record and the defendant's current fingerprint card. Official immigration records of the Department of Homeland Security revealed the defendant was previously deported to **Mexico on June 10, 2004** through **Nogales, Arizona**. These same records show that the defendant has not applied for permission from the Attorney General of the United States or his designated successor, the Secretary of the Department of Homeland Security, to return to the United States after being removed.

The defendant was advised of his Miranda rights. The defendant stated that he understood his rights and was willing to answer questions without an attorney present. The defendant admitted that he is a citizen and national of Mexico illegally present in the United States. The defendant further admitted that he had been previously deported from the United States and has not applied or requested permission to re-enter the United States legally.
